BRIEF ABSTRACT OF LETTERS

Requests sanction to the utilization of the provision of Rs 3,180 made in the Edn State Fund Budget for 1901-05 for the opening of an Anglo Vernacular School at Robertsonpet

NOTES AND ORDERS

Govt in their order No G4484-5 of the 11th March 1901, sanctioned directed that a sum of Rs 3,180 being the amount required for the ^{opening} of an A.V. School at Robertsonpet ^{provisionally} may be included in the

3 [In para 2 of the above letter
the Lgl had stated that a ~~sum~~
building costing Rs 5000 might be
erected for the School on the site
behind the new Police Station if the
Govt would sanction the amount
over and above the usual requirements

3 Excluding the above building the I & L had submitted a list of building works costing Rs 57,292- for sanction during the year 1902-05 but Govt sanctioned only Rs 10,000 which is the normal annual provision for buildings (Vide Budget copy put up - Head 18 & item 3) and ^{it seems that} so the cost on account of the A-V School building in question cannot be met from the above provision]

4 As the Scale of Establishment sanctioned for the School includes a house rent of Rs 40 per mensem no building seems required for the present

Subd for orders with reference.

The rates fixed in the order of 9/7/03 apply to the Rowanpeth Taluk generally, and do not seem suitable to the Establishment required in connection with the new School at Rowanpeth. These rates for the latter I think, be the same as those sanctioned in the No of 14/9/01 in the case of the three other masters at Rs 15, the rate proposed by the Sd/- has to be reduced from Rs 10 to Rs 8 which is that of the mean it has to be reduced from Rs 4 to Rs 2. With this modification, the Sd/- recommendation may be approved.
